What good is it to have a vaccine passport, if the people who are vaccinated are testing positive and dying.

Over 70,000 healthcare workers in New York are willing to be fired rather than take a mandatory shot.

FRAUDS

BASED ON THE MOST CORRUPT ELECTION IN USA HISTORY "We The People" will always label them as

FRAUDS

Someone on the team that garnered more votes than anyone in history. Biden who got his ass beat in the first three primaries and was basically broke. And Harris who had to drop out on Dec 3 as she could not raise any money or support. But together they were able to rally and become the DREAM TEAM who got 80 million votes. This is the biggest joke of all time perpetrated on the American People.
